Dear Ms. Warchol:

On behalf of the International Brotherhood of Boilermakers, its members throughout the United States and Canada and the Canadian Federation of Labour, I am pleased to announce that you have been selected as the 2011 Scholarship Program award winner sponsored by the Canadian Federation of Labour in the amount of \$2000.

Our Scholarship Committee was impressed with your high academic accomplishments, extra curricular activities, leadership skills, special honors and awards, and your well-written essay. The Scholarship Committee reviewed applications from many outstanding high school seniors. We wish you all the best at the college of your choice and trust that our award will help you and your family—who must be most proud of your accomplishments.

We would like to announce your scholarship award in *the Boilermaker Reporter*. **Please send an appropriate photograph, and any additional information about yourself that you would like included, to the attention of the Scholarship Committee. In addition, please provide us with the name and contact information of your local newspaper so we can provide them with a news release on your scholarship award.**

Our Scholarship Program rules require that the \$2000 be transmitted directly to the financial aid office of the university or college of your choice. Please advise my office of the appropriate procedures to follow. Our scholarship award cannot be used to replace or subsidize other scholarships. Please advise my office if this occurs with the college or university that you will attend.

Congratulations Raquel!

Sincerely yours,

Newton B. Jones  
International President
