The Employer will reimburse the Employee where travel by ferry is required and the Employee is utilizing his/her personal vehicle. The reimbursement will be based on the Employee supplying applicable receipts for the BC Ferry Corporation rate for an under height vehicle (up to and including 7' high) with a total length of 20 feet. Reimbursement for the current single passenger fare shall also be made by the Employer based on the supply of a receipt, if requested by the Employer.

The Employer will reimburse the Employee where travel requires the payment of a highway tolls. Receipts are also required, if requested by the Employer.
